Education

Musical college named after
N.A. Rimsky-Korsakov

Artist of orchestra | teacher
2013 – 2017 // Saint-Petersburg

my portfolio

Summary

Self-motivated, efficient team player.

I strive to create simple content structure with clean design patterns and love bringing meaningful ideas to life within the browser.

I am looking to become part of a motivated, productive, programming team – a group where I can pour what is my passion into.

Ready for relocating or business trips.
